Implementation of the ELICOS standards

There will be a staged approach to implementation of the revised ELICOS Standards. The revised ELICOS Standards will be applied to new market entrants from 1 January 2018, and to existing providers from 1 July 2018, to allow providers time to make required changes to staffing, curriculum and delivery.

Response

Suitable timeframe and implementation strategy

Introduction

Clarifies that the definition of ELICOS Standards applies to all courses provided to overseas students that are solely or predominantly of English language instruction.

Response

Appropriate definition

Standard C1 – Mandatory requirements for course applications

Clarifies the requirements for course applications, that information must be 'fit for purpose' and clarifies the strategy for assessing achievement of learner outcomes, samples of certification of completion and partial completion, and course syllabus.

Course applications must also demonstrate that the course will include 20 hours of face-to-face tuition per week.

Response

Response

Appropriate

Standard P1 – Scheduled course contact hours

Includes a direct reference to an ELICOS course being 20 hours of face-to-face tuition per week.

Response

Appropriate

Standard P2 – Needs of younger ELICOS students

Includes minimum requirements regarding the needs of students aged under 18 years, and that providers would need to structure courses for students of different levels of age, maturity and English language proficiency.

Response

Appropriate

Standard P3 – Teaching ELICOS

The requirement for records of teaching delivery to ensure efficient administration has been replaced with the requirement for retention and accessibility of records.

Response

Appropriate

Standard P4 – Assessment of ELICOS students

Includes requirement that assessment be valid, reliable, fair, flexible and clearly referenced to criteria; that there be appropriate oversight or moderation; that assessment outcomes in English for Academic Purposes courses are to be benchmarked against external reference points commonly used in admission criteria for tertiary courses.

The requirement for records of assessment to ensure efficient administration has been replaced with the requirement for retention and accessibility of records.

Response

Appropriate

Standard P5 – ELICOS educational resources

No proposed changes to this standard.

Response

-

Standard P6 – ELICOS specialist staff

No proposed changes to this standard.

Response

-

Standard P7 – ELICOS premises

Specifies that rooms and equipment should be fit for purpose and proportionate or appropriate to the number of students and course syllabus.

Response

Appropriate

Standard P8 – Business management

The term ‘designated authority’ has been updated to reflect the new role of the ‘ESOS agency’ and/or designated state/territory authority.

Response

Appropriate
